## RED CROSS GIVES ANNUAL BUDGET

\$19,361,657 Allotted for Cur-  
rent Program of Relief  
and Service.

### MILLIONS FOR VETERAN AID

Medical Aid for European Chil-  
dren Will Cost \$6,000,-  
000 This Year.

Washington.—Expenditures totalling  
\$19,361,657 for carrying through its  
program of relief and services in the  
United States and overseas are out-  
lined in the budget of the American  
Red Cross for the current fiscal year.  
This total is more than \$5,000,000 low-  
er than the expenditure during the  
last fiscal year, when the disburse-  
ments reached \$24,492,741. It is an-  
nounced at National Headquarters in a  
statement calling attention to the  
necessity of continued support of the  
organization by response to the An-  
nual Roll Call, November 11 to 24,  
if the vital work of the society is to  
be effectively carried on.

Outstanding among the items of the  
domestic budget is the appropriation  
of \$3,669,256 for work in behalf of  
the disabled ex-service man and his  
family. This appropriation represents  
the amount allotted to this work from  
National Headquarters only and does  
not take into consideration the mil-  
lions being spent in chapters for re-  
lief of the World War veteran. It  
is in the chapter that the greater  
amount is spent in meeting this ob-  
ligation of the Red Cross, the announce-  
ment continues, as manifested by fig-  
ures of the fiscal year 1920-1921 when  
the total was approximately \$9,000,-  
000, of which \$2,632,094 represented  
the disbursement of National Head-  
quarters while the remainder was the  
chapters' contribution to this field of  
Red Cross service.

Vast Work for Disabled  
Chief among the sub-divisions of  
the appropriation for work with vet-  
erans is that which concerns itself  
with assistance to disabled men and  
women in government hospitals. This  
item of \$1,790,000, an increase of more  
than \$500,000 over the appropriation  
for the same work in last year's bud-  
get, will provide those personal serv-  
ices for the disabled and their families  
which are indispensable to supplement  
those provided by the government.  
The director of the Veterans' Bureau  
has recently expressed his desire that  
the Red Cross should continue and  
extend these "humanizing services."  
Other items of the appropriation for  
veterans' relief are proportionately in-  
creased. An additional appropriation  
of \$469,600 has been made for Red  
Cross work in connection with regu-  
lar Army and Navy hospitals and  
with the regular Army and Navy.

For disaster relief, the Red Cross  
has set aside for the current twelve  
months an appropriation of \$543,976,  
virtually doubling the appropriation  
for the same purpose for the fiscal  
year 1920-1921.

More than \$2,000,000 is provided for  
service and assistance to the 3,600  
Red Cross chapters by the national  
organization.

Helping Destitute Children  
Other items of the domestic budget  
include \$408,546 for miscellaneous ac-  
tivities, including contributions re-  
stricted for special purposes and \$768,-  
000 for management. Each of these  
items represents large reductions over  
similar appropriations of the previous  
year.

From a fund of \$10,000,000, \$5,000,-  
000 of which was contributed through  
the European Relief Council campaign  
and \$5,000,000 allotted by the Red  
Cross for child welfare work in  
Europe, there remains \$8,765,108 still  
available, of which it is estimated  
that \$6,000,000 will be required for  
this work during the current year.  
For Red Cross participation in the  
joint effort to relieve famine condi-  
tions in Russia, for final work in the  
China famine, for Junior Red Cross  
and other overseas activities including  
the closing of the old general relief  
program in Europe \$4,078,000 is made  
available.

In announcing the national budget,  
the Red Cross makes it clear that  
the figures do not include chapter ex-  
penditures or place any cash estimate  
on the invaluable service of volun-  
teers in chapters.

### BLACK WALNUT TREES

### AS MEMORIALS

Planting of black walnut trees as  
memorials to soldiers is recommend-  
ed by the United States Department  
of Agriculture. It is pointed out that  
the black walnut played a valiant part  
in the World War. The wood was  
used for gunstocks and airplane pro-  
pellers, and the nutshells contributed  
carbon for gas masks, while the ker-  
nels were used in many delicacies for  
the boys in the trenches. Demand  
for the wood for war purposes de-  
pleted the number of fine old trees,  
and this method is suggested for fill-  
ing their places.—Exchange.

Let your newspaper have the news while people are interested  
in reading it. A football game is more interesting before it is  
played than after it is over. People like to read the details of a  
wedding before it occurs. Announcement of a party is of concern  
to more people than the details after it has been pulled off. The  
Tribune does not have room for lengthy accounts of such events af-  
ter they have happened. Let us have them while they are news.
